**A Benefit Performance For
Coalition To Save Rent Control
& Newark Tenant Organization**

Neighbors

**A Musical Comedy by
Mass Transit Street Theatre**

Mass Transit Street Theatre is a talented theatre group from New York City, that has been presenting its plays to community, tenant, church and labor groups for the last 14 years.

Their new play, **Neighbors**, is about a community group's fight to get a city owned building for housing and a community center, and how people there overcome a crisis together.

In the last 2 years, the **Coalition To Save Rent Control** has stopped vacancy decontrol in Newark, and stopped a sewer surcharge that would have caused everyone's rent to rise. The **Newark Tenant Organization** is the oldest city-wide tenant group, and the group responsible for passing rent control to protect tenants in Newark. Funds raised during this performance will go to continue the work of these organizations fighting for affordable rents and decent housing in Newark.

Saturday June 2 7:30 P.M.
Seton Hall Law Center
1111 Raymond Blvd. (corner McCarter Hwy)
